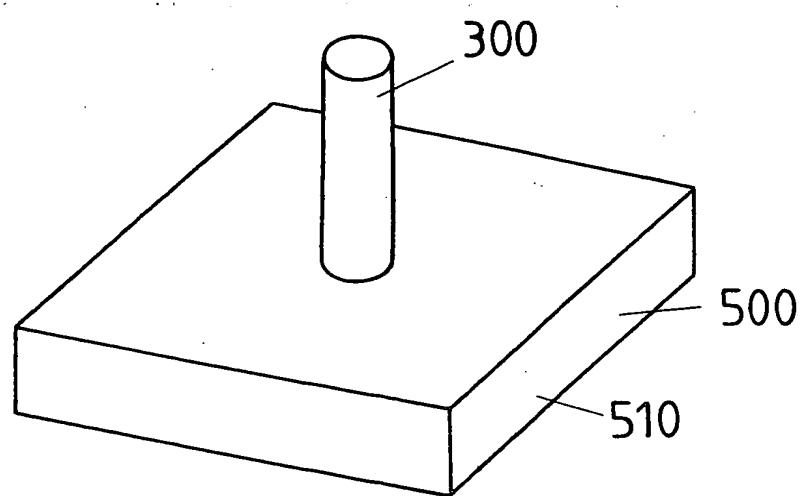

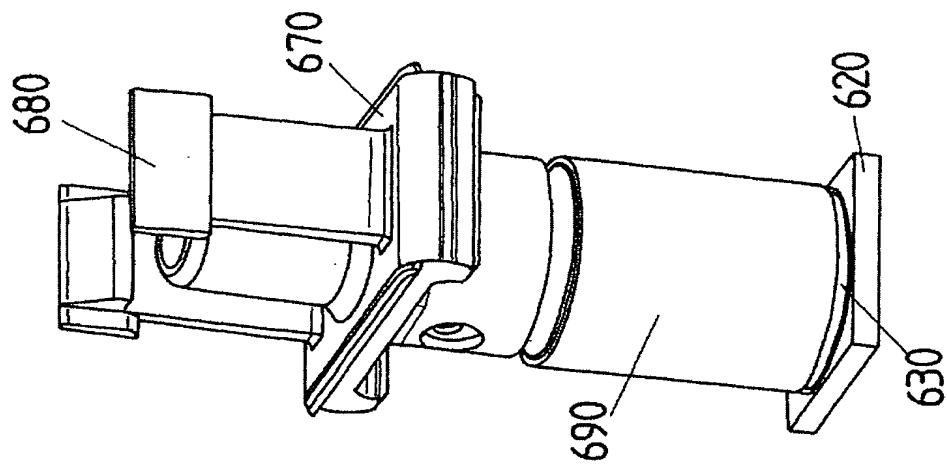

FIG 8
FIG 6

A technical line drawing of a mechanical part, likely a bearing housing. It features a large cylindrical body with a flange on the right side. The flange has a stepped profile, with a wider outer section and a narrower inner section. The reference number 650 is located on the left side of the cylindrical body. The reference number 630 is located on the flange, pointing to the outer edge of the stepped profile. The reference number 620 is located on the right side of the flange, pointing to the inner edge of the stepped profile. The reference number 640 is located at the bottom right, pointing to the bottom edge of the flange.
